ABOUT US

Al Khumasiah is a leading UAE Spanish tiles distributor and retailer since 1990, serving a wide range of customers from architects to individual home owners. Our group approach emphasizes value and affordability, allowing you to create your dream space. We maintain a vast inventory allowing us to serve multiple projects, ensuring prompt delivery and meeting even the most demanding schedules. Our Sharjah showroom acts as a central hub for our operations. We offer a diverse selection of the latest tile designs and technologies from top Spanish Tiles Manufacturers. Our strong relationships with manufacturers enable us to offer competitive prices, making us your best source for wall and floor tiles.

Our Vision

Our aim is to transform how individuals manage their personal items. We are dedicated to delivering creative solutions that help people find their belongings effectively.

Our Mission

Our goal is to offer premium Spanish tiles that elevate any space and spark your imagination.

OUR SUPPLIERS

VITACER produces ceramic wall tiles and porcelain floor tiles. Porcelain is used especially for high durability and floor applications.

Part of Pamesa Group one of the biggest group porcelain manufacturing which has variety of designs from simplest designs to wide range of Slabs.

They as a group with Hispano Azul focus on environmental sustainability efforts, especially for clients who demand green certifications.

STN Ceramica offers wide range of porcelain tiles. Currently STN Ceramica occupies more than 1,000,000 SQM of industrial land and production capacity is more than 100 sqm/year.

One of the oldest ceramic and porcelain manufacturer in Spain, founded Since 1922. They are special in their 3D high relief textures and finishes.

Their manufacturing is modern and they invest in design, quality and service since their founding.
