ENRICH YOUR SPACE WITH THE ESSENCE OF REFULGENT DESIGN

In A Dream Everything Is Possible: Living Life Surrounded By The Most Beautiful Objects, Feeling One With Nature, And Giving Ample Space To The Universe Of Affection And Feelings That Makes Everyone's Life Unique. The Attractiveness Of The Most Elegant Stones In A High-performance Technical Tile Of Great Naturalness. A Wide Graphic Variety In Colors, Which Stands Out For The Rich Color Fades Of The Stone Overlaps And Intertwined Veining. The substantial thickness of 20mm of the collection lends the surfaces exceptional durability and resilience. The thickness offers surfaces durability to endure heavy traffic, weight, and rugged use and makes the surfaces practically ideal for all kinds of usages. The thickness paired with R11 anti-skid surfaces makes the surfaces of the collection extremely safe for use outdoors.
