Water
Repellent

A minimalist interior scene featuring a window with blue curtains, a desk lamp, and a vase. The window on the left shows a blurred view of greenery outside. The blue curtains hang vertically, creating a textured background. In the foreground, a black desk lamp with a gold-colored arm is positioned on a dark surface. Next to it is a small, dark, rounded vase. In the bottom right corner, a portion of a light blue cushion and a dark grey pillow are visible.
